Features and Benefits

JBL Signature Sound

40mm drivers and a sound signature that can be found in the most famous venues all around the world.

Get help from your Google Assistant

Play your favorite playlist, text your friend, check the weather and much more by simply tapping the ear cup to activate the Google voice assistant.

Ambient Aware and TalkThru Technology

Don't let the music stop! Stay in touch with your surroundings while listening to your tunes. A touch of the Ambient Aware button increases the ambient sound and lets you hear what's happening around you. The TalkThru mode drops the music level down, allowing you to talk to your friends without removing your headphones.

24 Hours Battery Life | 2 Hours Recharging Time

Rock on for a full day and enjoy fast recharging if that's not enough.

15 minutes charging for 2 hours playtime

A quick 15-minute charge lets you extend the fun for an additional 2 hours.

Hands-free calls

Stay in touch with your world by managing calls with the buttons on the ear-cup. When the battery is flat, just plug-in the audio cable and continue listening and chatting.

Multi-Point Connection

Allows you to effortlessly switch from one Bluetooth® device to another. You can simply switch from a video on your tablet to a call on your mobile phone, so that you'll never miss a call.

Comfort-fit fabric headband

Shaped around your head with a fitting fabric headband and soft ear cushions, the LIVE400BT are super comfy.

Detachable cable with remote & microphone

When the battery is flat, just plug-in the audio cable and continue listening or chatting.
