

FREE II

True wireless in-ear headphones

Calls, music, active – your choice. No Wires.

JBL Free II deliver JBL Signature Sound in an intuitive, yet intelligent package. Completely free from wires and easy to use, the JBL Free II is your flexible companion for calls, music and an active lifestyle. You get a day's worth (24 hours) of combined playback: 6 hours of continuous listening on the headphones plus 18 hours of backup from the charging case. Immediately paired as soon as you flip open the case, each earbud of the JBL Free II can be used independently in mono or stereo mode, saving battery life. Super comfortable with ear tips in 3 sizes, their worry-free IPX4 certified design keeps the music playing through sunshine and rain. Step up your listening experience in an easy way by controlling music and calls with the intuitive touch controls on the earbud and live free from wires.

- ▶ JBL Signature Sound
- ▶ Comfort Stay. Secure Fit
- ▶ Dual connect makes your life easier
- ▶ 24 hours of combined playback
- ▶ Fast Pair
- ▶ Easy, handsfree calls
- ▶ Splashproof

FREE II

True wireless in-ear headphones

Features and Benefits

JBL Signature Sound

Immersive JBL Signature Sound delivered in an intuitive, intelligent package.

Comfort Stay. Secure Fit

Best-in-class ergonomics ensure a secure fit that stays with you, no matter what you are doing. The ear tips, available in 3 sizes, allow you to find the one that fits you best.

Dual connect makes your life easier

Instantly pairs to your Android device as soon as you flip open the case. Take crystal clear phone calls, talk to your voice assistant and listen to your favorite streaming music - at any time, with either earbud or both. Bluetooth 5.0 ensures high quality streaming.

24 hours of combined playback

Enjoy an entire day of wireless audio, with 6 hours of continuous playback and 18 hours of backup power from the charging case. Easily recharge with a type-C charging case.

Fast Pair

Thanks to Fast Pair enabled by Google, the FREE II TWS are connected to your Android device the second you flip the case open. You can also pair multiple devices just by tapping on the devices' screen.

Easy, handsfree calls

Integrated microphone allows for clear phone calls. Automatic stereo-mono mode switching for a natural call experience. Take full control of your calls and music with a single intuitive button and access your device's voice assistant.

Splashproof

IPX4-certified design keeps the music playing through sunshine and rain.
