

LIVE PRO 2

True wireless Noise Cancelling earbuds

Hey Google

Listen and be heard. All day, everywhere.

Stay in the groove all day long with stylish companions for work and play. JBL Live Pro 2 earbuds deliver up to 40 hours of incredible JBL Signature Sound (with 10 hours in the earbuds + 30 hours in the case), speed charging, and Qi-compatible wireless charging for when your batteries need a boost. True Adaptive Noise Cancelling eliminates distractions to give you totally immersive audio, while Smart Ambient keeps you alert to your surroundings. The stick closed design with Oval Tubes™ and oval silicone tips ensure better noise cancellation and enhanced audio quality for those who prefer a cleaner aesthetic. Got something to say? Make clear, perfect calls with 6 beamforming mics or access your preferred voice assistant for seamless hands-free control and connection wherever life's adventures take you.

- ▶ Oval Tubes™ for better comfort, isolation and bass
- ▶ Dual Connect & Sync with Multi-Point Connection
- ▶ Touch & voice control
- ▶ IPX5 water resistant
- ▶ JBL Headphones App

LIVE PRO 2

True wireless Noise Cancelling earbuds

Features and Benefits

JBL Signature Sound

Nothing beats incredibly clear music and calls from 11mm dynamic drivers powered by JBL Signature Sound.

True Adaptive Noise Cancelling with Smart Ambient

True Adaptive Noise Cancelling automatically adjusts to your surroundings, eliminating distractions for better sound wherever you are. Or use Smart Ambient when you need to focus on your environment, all without removing your earbuds.

40 (10+30) hours of playback with wireless charging

Never miss a moment with 40 hours of Qi-compatible battery life (including 10 hours in the earbuds + 30 hours in the case). Need a boost? Just 15 minutes of Speed Charge gives you another four hours of playtime—fast.

6 mics for perfect calls with zero noise

Six beamforming microphones reduce wind and noise interference so your words always come through loud and clear. And with VoiceAware, you can choose how much of your own voice to hear by controlling the amount of mic input routed back into your earbuds.

Oval Tubes™ for better comfort, isolation and bass

Better shape, better sound. That's why JBL designed these headphones with Oval Tubes™ and oval silicon tips for a perfectly snug fit. The stick closed design with oval tubes ensure better noise cancellation and enhanced audio quality for those who prefer a cleaner aesthetic.

Dual Connect & Sync with Multi-Point Connection

Phone call in the middle of your favorite show? No problem. With Multi-Point Connection, you can quickly and easily switch your headphone input from one Bluetooth device to another. You'll also enjoy quick, effortless pairing with any Android device as you shift between mono and stereo and your left, right, or both earbuds.

Touch & voice control

Activate the JBL Live Pro 2's features with the ease of touch control. Or simply speak up to activate your Hey Google (*) or Alexa (**).

(* Only supported on Android (**) Android 6.0 or higher is required for full access to Alexa features when using this device.

IPX5 water resistant

Whether you're hitting the gym or caught in the rain, you won't have to worry. IPX5 certification means JBL Live Pro 2 headphones are water resistant.

JBL Headphones App

The dedicated app lets you select listening modes, adjust ANC or smart ambient levels, customize controls, and maximize comfort and audio quality—so you can always listen your way. You can also optimize the EQ curve while Voice Prompts in your own language help you to navigate through the features.

What's in the box:
