TUNE 215BT

Wireless Earbud headphones

Pure Bass, Wireless.

Introducing JBL TUNE 215BT wireless earbud headphones with JBL Pure Bass Sound. Thanks to the 16-hour battery life they can wirelessly stream high quality JBL Pure Bass sound and provide hands-free call management. Inside the premium housing is a pair of 12.5mm drivers which will punch out some serious bass, while the soft, ergonomically shaped earbuds ensure the listening experience remains comfortable for long-listening hours. In addition, a three-button remote with mic on a tangle-free cable lets you control music and calls and access your devices' voice assistant. The multi-point connection allows you to never miss a call, making the JBL TUNE 215BT your everyday companion for work, at home and on the go.

TUNE 215BT

Wireless Earbud headphones

Features and Benefits

JBL Pure Bass sound

For over 70 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL DNA, punching out bass that's both deep and powerful.

Bluetooth 5.0 for lossless quality

Stream your favourite tunes in super high quality thanks to Bluetooth 5.0.

16-hour battery life with speed charge

Enjoy your music and take calls for 16 hours. Get a full recharge in 2 hours or 1 hour extra in just 10 minutes top up.

Hands-free calls

Easily control your sound and manage calls from your headphones with the convenient three-button remote with microphone.

Tangle-free flat cable

A flat cable that's durable and won't tangle up in knots.

Comfort-fit earbuds

The soft, ergonomically shaped earbuds allow you to enjoy your music in full comfort.

Multi-point connection

Allows you to seamlessly switch from a video on your tablet to a call on your smartphone so that you'll never miss a call.

Voice Assistant supported

Effortlessly access your smart device's voice assistant from the headphone.

What's in the box:
